

Treatment Options for Enlarged Prostate

FREE Men's Health Seminar
Monday, Feb. 20, at noon
Gundersen Lutheran – Decorah Clinic

As men age, urination and bladder control problems can result from an enlarged prostate. If this common problem is disrupting your life, find out about treatment options at a free seminar presented by Gundersen Lutheran men's health expert A. Scott Klein, MD. You may bring a spouse or guest. A light lunch will be served.

Space is limited, so please
RSVP at (563) 387-5510 or
